NursingCE: Child Maltreatment

Release date: December 4, 2017
Expiration date: December 4, 2020
Number of CNEs for satisfactory completion of educational activity: 3

Overview
NursingCE provides a high-quality, effective, and comprehensive way for registered nurses to earn their state-required continuing education credits in an online format. This educational activity focuses on Child Maltreatment providing up-to-date content intended to enhance the knowledge of practicing nurses and includes test items with rationales to test learners' knowledge and remediate as needed.

Target Audience
The target audience for this educational activity is registered nurses.

Learning Objectives
Upon completion of this activity, learners should be able to:

- Report suspected child abuse according to mandatory reporting guidelines.
- Identify and define types of abuse.
- Understand risk factors for abuse victims and perpetrators of abuse.
- Demonstrate protective factors for child abuse.

Accreditation and Designation
This learning activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the Assessment Technologies Institute, LLC (ATI) Nursing Education Provider Unit.

Assessment Technologies Institute, LLC (ATI Nursing Education) is accredited as a provider of continuing education by the American Nurses Credentialing Center's Commission on Accreditation.

Commercial Support
None

Faculty and Planners Disclosure Statement
The author(s) attest that they do not have a conflict of interest, bias, or commercial support related to the educational activity. The author(s) nor any member of their immediate family, have any financial relationship in which they receive salary, royalty, fees, honoraria, ownership interest or other financial benefits from an organization addressed in the educational materials. They do not promote any services or products during the activity and neither the author(s), nor any member of their immediate family, have any financial interest in the topics presented during the educational activity.

Learners must submit a completed evaluation of the educational activity to receive their CNE certificate.

Method of Participation to Earn CE Credit

Learners must pay the appropriate fee for participating in and receiving credit for this online educational activity. In order to obtain credit for participating in this activity during the period of November 20, 2017 through November 20, 2019, learners must:

1. review the educational objectives and disclosure statements.
2. read through the entire course and complete activities as indicated.
3. answer test items presented throughout and at the end of the course.

CNEs will be issued after the learner has:

1. answered all of the test items with a score of 80% correct or higher
2. completed the course evaluation.

After completing these activities, the learner will be able to print out their CNE certificate.
