Pinot Grigio 2017

TRENTINO

Robert Parker's Wine Advocate

December 2018

"The 2017 Trentino Pinot Grigio is part of a school of easy-drinking white wines from the far north of Italy. The mountainous Trentino region offers cool nighttime temperatures that help to enhance aromatic intensity. This wine delivers standard varietal aromas of white peach, pear and honeydew melon. Only 10% of the wine is briefly aged in oak. Some 35,000 bottles were produced."
