CONFLICTS FORM

All conflicts must be approved by the Director. Do not assume you have been excused for anything unless you have consent from the Director or Associate Producer. If you have spoken to the Director or Associate Producer and an absence has been approved please indicate it on the form below. Any conflicts which arise after the form has been turned in or once rehearsals commence require a phone call or in-person conversation with your Stage Manager.

Conflicts which need approval include: school testing, ACT/SAT testing, school activities, other rehearsals/performances, family functions, vacations, etc. A conflict might also include enrollment in a CTC TAT class. Please note mandatory testing will be approved, however, CTC does need to be made aware of the date(s) and times of testing for understudy planning purposes.

Your name:_____

Please be as specific as you can. If you don't have conflicts, just write "No Conflicts" on the form.
This form MUST be returned with your Audition Form at the auditions.
