Opportunities

CO-CHAIR

Main responsibilities; facilitate meetings, coordinate subgroup projects, develop meeting agendas, provide input on committee policy development, direct the focus areas of the committee, and maintain contact with the coalitions.

NETWORK

Develop relationships with colleagues and discuss how sexual assault and domestic violence programs, service providers, and community can enrich the quality of care for LGBTQ victims of violence. This offers a support system to free-think ideas and address challenges.

FACILITATE

Become a trainer to co-facilitate the LGBTQ intimate partner and sexual violence trainings in communities throughout Wisconsin. Collaborate with communities to tailor the training to their needs. Monetary reimbursement for time.

LGBTQ COMMITTEE SUBGROUPS

The LGBTQ Committee identified four areas of focus to continue with the progress they have made. No one is expected to be a part of any given subgroup. Subgroup participation is not required.

Communication

Promotes the training and committee meetings and recruits more members through policy, media, and awareness.

Creates a process for press releases.

Provides input and feedback on press releases as needed.

Resource

Adapts, updates, and compiles LGBTQ resource matrix. Creates and updates standards for vetting resources. Reviews and provides information for the LGBTQ webinar series. Provides input on projects meant to be given to programs (i.e. posters, curriculum, etc.).

Technical Assistance

Assesses the action planning process and agency assessments used in training.

Adapts training follow-up. Reviews policies and forms used in agencies.

Trainings

Provides training across the state. Offers updates on the training map. Coordinates training schedule. Creates a training for new trainers. Develops an LGBTQ 201 training that complements the current training.
