HOW THE PLANS WORK

WHEN YOU NEED CARE

5
Follow these 5 steps for the plan you choose.

GREEN PLAN with Health Reimbursement Account (HRA)

- 1 GET JETBLUE MONEY**
Each January, JetBlue automatically puts seed dollars into your HRA. You cannot add your own money to an HRA.
- 2 EARN HEALTHY REWARDS**
Earn more JetBlue money in your HRA by completing Healthy Rewards activities. See your Healthy Reward activities at jetblue.werally.com.
- 3 REACH YOUR DEDUCTIBLE**
You can use JetBlue money in your HRA to offset the cost of care and prescriptions until you reach your deductible. You can also save your HRA money for future expenses (the money will roll-over each year as long as you stay enrolled in the Green Plan).
- 4 SHARE COSTS**
When you reach your deductible, JetBlue pays 80% of costs and you pay 20%.
- 5 JETBLUE PAYS 100%**
If you reach the out-of-pocket maximum, JetBlue pays 100% of costs for the rest of that year.

BLUE PLAN with Health Savings Account (HSA)

- 1 JETBLUE + YOUR MONEY**
Each January, JetBlue automatically puts seed dollars into your HSA. You can add your own money pre-tax to an HSA.
- 2 EARN HEALTHY REWARDS**
Earn more JetBlue money in your HSA by completing Healthy Rewards activities. See your Healthy Reward activities at jetblue.werally.com.
- 3 REACH YOUR DEDUCTIBLE**
You can use JetBlue money in your HSA to offset the cost of care and prescriptions until you reach your deductible. You can also save your HSA money and use the account as a retirement savings vehicle, investing the balance tax-free. Money rolls over each year and stays with you if you switch Medical Plans or leave JetBlue.
- 4 SHARE COSTS**
When you reach your deductible, JetBlue pays 80% of costs and you pay 20%.
- 5 JETBLUE PAYS 100%**
If you reach the out-of-pocket maximum, JetBlue pays 100% of costs for the rest of that year.

DENTAL

SAY "HELLO" TO CIGNA AND 2 PLAN OPTIONS **NEW**

Starting January 1, **Cigna** will replace Delta Dental to provide you and your family with two plan options. The **Total Cigna DPPO** is similar to our current plan, and your dentist may already participate in Cigna's large, nationwide network. The other new plan is **Cigna Dental Care DHMO¹**, or Dental Health Maintenance Organization. The DHMO offers in-network coverage only and has slightly lower paycheck premiums. To help you pick the best option, review key features below.

DPPO

- Lower rates than what you pay for dental coverage today, but rates are higher than the DHMO.
- Freedom to use any dentist, but you'll likely spend less if you visit an in-network dentist.
- No referrals needed to visit a specialist.
- You need to reach an annual deductible before your coinsurance kicks in, up to your plan's calendar year maximum.
- Larger network of providers to choose from as compared to the DHMO.

DHMO¹

- Lower rates than what you pay for dental coverage today, and rates are lower than the DPPO.
- For each covered member, you must select a primary care dentist.
- Coverage is only available for in-network providers. Make sure your provider is in-network or find a new provider using the directions below.
- You will need to receive referrals to specialists from your primary care dentist.
- You have no deductible.
- Your costs for services are based on the Patient Charge Schedule (PCS).
- Smaller network of providers to choose from as compared to the DPPO, so check to make sure there is a dentist in your area who is in the DHMO network (see Finding Cigna Dentists below).

NEW

If you are currently enrolled in the **Delta Dental PPO** plan and you do not take action to change your coverage during Open Enrollment, you will automatically be enrolled in the **Total Cigna DPPO** plan.

FINDING CIGNA DENTISTS:

To see if your dentist is in Cigna's network, visit **cigna.com**, then:

- **CLICK** on "Find a Doctor, Dentist, or Facility"
- **CHOOSE** "Plans through your employer or school" and click "Dentist"
- **ENTER** your location and plan, then click "Search"

Don't see your dentist listed? Call Cigna at **1-877-208-3183** to recommend your dentist to join the Cigna network.

MORE DETAILS

EVIDENCE OF INSURABILITY

Evidence of Insurability (EOI) is a fancy way of saying that you need to verify your good health for coverage to begin. You must provide EOI when:

- You increase your existing Supplemental Life coverage.
- You choose not to buy Supplemental Life or Dependent Life as a new hire, then decide to add coverage later (such as during Open Enrollment).
- Your Basic Life coverage equals more than \$500,000 as a new hire.

When you're first hired, you may buy Supplemental Life Insurance of 1, 2 or 3 times your annual salary (up to \$250,000) without providing EOI. If you want to buy more than 3 times your annual salary (or greater than \$250,000), EOI will be required and must be approved by the insurance carrier. If you are age 60 or older, the maximum coverage amount that you may elect as a new or current Crewmember without EOI will be reduced—you will be notified if EOI is required.

ADDITIONAL INFORMATION

Waiver of Premium—Premiums are waived if you become totally disabled before age 60.

Accelerated Benefit—Up to 100% of your Life Insurance amount (to a maximum of \$500,000) may be paid in the event of terminal illness with a life expectancy of 12 months or less.

Reduction Schedule—Life Insurance amounts are reduced to 65% when you reach age 65 and to 50% when you reach age 70. AD&D coverage ends at age 70.

DISABILITY

Disability benefits replace a portion of your pay if a non-work-related illness or injury prevents you from doing your job for a long period of time. JetBlue offers you the following benefits:

VOLUNTARY SHORT TERM DISABILITY (VSTD)¹

Did you know that your income stops while you're on disability leave?

Disability coverage allows you to get paid when you get sick or injured—or have a baby—without using up your PTO bank.

VSTD pays you a portion of your salary if you have an illness or injury that keeps you from doing your job. This coverage is not automatic. To continue your pay, you must choose from the three plans below.

LOW PLAN	CORE PLAN	HIGH PLAN
Pays 40% of your basic earnings ² , up to \$1,500³	Pays 60% of your basic earnings ² , up to \$1,500³	Pays 60% of your basic earnings ² , up to \$3,000³

For all plans, benefits begin on the 8th day of missing work due to an illness or injury and continue paying for up to **26 WEEKS⁴**.

Limits on pre-existing conditions.

When you first elect VSTD, the plan does not cover disability from pre-existing conditions for 12 months. These are conditions you already had or have been treating during the three months before you enrolled for coverage—including pregnancy.

¹ **New Full-Time Crewmembers** (except those based in California, New Jersey or Puerto Rico) are automatically enrolled in the Low Plan at their own cost and can then change levels or opt out when enrolling in JetBlue coverage for the first time. **Newly hired Pilots** are automatically enrolled in the Core Plan at their own cost and can then change levels or opt out when enrolling in JetBlue coverage for the first time.

² Basic earnings include regular salary or wages, shift differential, premium and overtime pay and do not include commissions, bonuses, incentive pay, PTO Sell Back, per diem or other additional compensation.

³ The earnings are annualized to determine the higher weekly benefit payment.

⁴ Remember, if you elect VSTD for the first time, your coverage will begin 90 days after enrollment (so VSTD will start on April 1).

LONG TERM DISABILITY

Basic Coverage

JetBlue provides basic Long Term Disability (LTD) automatically to Full-Time Crewmembers at no cost. Pilots get a combined Long Term Disability and Loss of License (LTD/LOL) plan at no cost. LTD benefits begin after 180 days of missed work due to a disability.¹

Voluntary Coverage (VLTD)

Crewmembers can buy extra coverage to be combined with LTD.

BASIC LTD	VLTD
Company-paid	You pay with post-tax dollars
Benefit equals 60% of gross compensation ²	Adds 6.67% to basic LTD benefit
NEW \$13,500 monthly maximum benefit	6.67% portion of benefit is paid tax-free

Voluntary Coverage for Pilots

Pilots can buy extra coverage in the form of VLTD/LOL coverage.

BASIC LTD/LOL	VLTD/LOL
Company-paid	You pay with post-tax dollars
Benefit equals 55% of gross compensation ³	Adds 5% to basic LTD/LOL benefit
NEW \$13,500 monthly maximum benefit	5% portion of benefit is paid tax-free

¹ You may use any available PTO during the waiting period and/or apply for Short Term Disability where available. (NOTE: The LTD or LTD/LOL benefit will be reduced by the gross monthly benefit you receive from Social Security, Workers' Compensation and other earned income.) The LTD and LTD/LOL plans do not cover a disability from a pre-existing condition during the first 12 months of coverage.

² Includes your average gross pay over the prior 12 months, or up to 18 months if you were on an approved Leave of Absence and had months of \$0 earnings in the prior 12 months.

³ Includes your average gross pay over the prior 12 months, or up to 18 months if you had months of \$0 earnings in the prior 12 months.

WHAT YOU PAY

2019 VOLUNTARY SHORT TERM DISABILITY RATES

Since you pay the full cost of VSTD coverage with post-tax dollars, any benefits you receive will be tax-free. Use the formula and rate tables below to calculate your VSTD rate per paycheck.

VSTD Low Plan	Use the lesser of \$195,000 or your current annual pay in the calculations. The number of paychecks is either 24 or 52. $\text{Annual pay} \div 52 = \text{weekly pay} \times 0.40 = \text{your weekly benefit} \div 10 = \text{_____} \times \text{rate table below} = \text{YOUR MONTHLY PREMIUM}$ $\text{Your monthly premium} \times 12 = \text{annual cost} \div \text{number of paychecks (24 or 52)} = \text{COST PER PAYCHECK}$
VSTD Core Plan	Use the lesser of \$130,000 or your current annual pay in the calculations. The number of paychecks is either 24 or 52. $\text{Annual pay} \div 52 = \text{weekly pay} \times 0.60 = \text{your weekly benefit} \div 10 = \text{_____} \times \text{rate table below} = \text{YOUR MONTHLY PREMIUM}$ $\text{Your monthly premium} \times 12 = \text{annual cost} \div \text{number of paychecks (24 or 52)} = \text{COST PER PAYCHECK}$
VSTD High Plan	Use the lesser of \$260,000 or your current annual pay in the calculations. The number of paychecks is either 24 or 52. $\text{Annual pay} \div 52 = \text{weekly pay} \times 0.60 = \text{your weekly benefit} \div 10 = \text{_____} \times \text{rate table below} = \text{YOUR MONTHLY PREMIUM}$ $\text{Your monthly premium} \times 12 = \text{annual cost} \div \text{number of paychecks (24 or 52)} = \text{COST PER PAYCHECK}$

If you work in California, New Jersey, New York or Rhode Island, your rates will be slightly lower because your state already provides disability coverage that is mandatory and paid through your state taxes.

	California	New Jersey	New York	Rhode Island	All Others
High Plan	1.124	1.342	1.527	1.273	1.605
Core Plan	0.624	0.746	0.850	0.708	0.892
Low Plan	0.606	0.724	0.825	0.687	0.866

2019 VOLUNTARY LONG TERM DISABILITY RATES

	SEMI-MONTHLY

VLTD/LOL (Full-Time Pilots only)	Use the lesser of \$22,500 or your current "gross earnings" averaged over the prior 12 months in the calculations. $\text{Covered monthly earnings} \times \$0.0102 = \text{YOUR MONTHLY PREMIUM}$ $\text{Your monthly premium} \times 12 = \text{annual cost} \div \text{number of paychecks (24 or 52)} = \text{COST PER PAYCHECK}$

AMENDMENT AND ADMINISTRATION OF BENEFITS

JetBlue reserves the right to amend or terminate any benefit described in this 2019 Benefits Guide at any time at our sole discretion.

The appropriate plan fiduciaries or other administrative body has the sole power to interpret and apply the provisions of the relevant benefit plan or arrangement and to make all determinations relating to the benefit. Such decisions will be final and binding. In any case in which a plan provision is inconsistent with any law, regulation or ruling, the benefit may be administered, at the sole and absolute discretion of the administrative entity, in accordance with the law, regulation or ruling, regardless of the terms and conditions of the plan or this 2019 Benefits Guide.

This 2019 Benefits Guide is not meant to interpret, extend or change the provisions of the relevant benefit plan or arrangement in any way. The actual plan documents take precedence if there should be any conflict between the plan documents and this 2019 Benefits Guide.

This 2019 Benefits Guide does not give you any right with respect to continuation of your employment by us, nor will it interfere in any way with our right to terminate your employment at any time for any reason, and such right is expressly reserved.

This 2019 Benefits Guide is not intended to be the official Summary Plan Description for any benefit plan.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

Your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. Call BlueBenefits at **1-800-466-5062** for more information.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers offering group insurance coverage generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth, for the mother or newborn child, to less than 48 hours following a normal vaginal delivery, or less than 96 hours following a Cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable).

In any case, plans and issuers may not, under federal law, require that a provider obtain pre-authorization from the plan or the insurance carrier for prescribing a length of stay not in excess of the above periods.

HIPAA PRIVACY NOTICE

A federal law, the Health Insurance Portability and Accountability Act of 1996 (HIPAA), requires health plans (medical, dental and vision) to protect the confidentiality of your private health information. More detailed information is given in the health plan's notice of HIPAA privacy rights. You may request a copy of the notice by contacting BlueBenefits at **1-800-466-5062**.

COBRA

Under certain circumstances, you and your enrolled dependents have the right to continue coverage under the medical, dental and vision plans, and the healthcare flexible spending account beyond the time coverage would have ordinarily ended. You may elect continuation of coverage for yourself and your dependents if you lose coverage under the plan due to one of the following qualifying events:

- Termination (for reasons other than gross misconduct)
- Reduction in employment hours (Full-Time to Part-Time)
- Retirement
- Leave of absence
- You become entitled to Medicare

In addition, continuation of coverage may be available to your eligible dependents if:

- You pass away
- You and your spouse divorce or separate
- A covered child ceases to be an eligible dependent
- You become entitled to Medicare

When a COBRA event occurs, our Business Partner, PayFlex, will mail a COBRA packet to the Crewmember's home address. To apply for COBRA coverage, you or a dependent must contact PayFlex within 60 days of a qualifying event. You and/or your dependents must pay the full cost of COBRA coverage. To find out more about COBRA, contact PayFlex at **1-866-777-6875**.

HIPAA SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 90 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 90 days after the marriage, birth, adoption or placement for adoption.

If coverage is lost under your state Medicaid or Children's Health Insurance Program (CHIP) or you become eligible for premium assistance under your state Medicaid or CHIP plan, you will be able to enroll yourself and your eligible dependents in the JetBlue plan. You must request enrollment within 60 days of the date of the event.

For more information, please contact BlueBenefits at **1-800-466-5062**.
