ABOUT ENTRY POINT

In just the past 10 years, CPT has produced 81 staged readings, 107 workshop productions and 42 full productions of world premieres—in addition to hundreds of community-created plays read, workshopped and performed through our education and community programs. The 2016-2017 season launched the next phase of New Play Development at CPT. Entry Point is a platform for artists to develop their work in the early stages of creation, then share that work with the public in an interactive forum.

HOW TO EXPERIENCE ENTRY POINT

- **GRAB A MAP AND PLOT YOUR COURSE**
It's impossible to see everything in one night!
- **THIS IS A LABORATORY**
Artists are testing out material in the early stages of development.
- **ENGAGE WITH THE CREATIVE PROCESS**
Participate in facilitated feedback after every show. At the end of the evening, join artists and audience in the lounge for mingling and written reflection.
