

Please consider carrying these products from Vibrant Health.

GREEN VIBRANCE

Designed to support the four foundations of health, Green Vibrance created the green superfoods category when it was formulated in 1992. Since then, it has won 13 awards and countless fans.

MAXIMUM VIBRANCE

Maximum Vibrance combines the nutritive powers of Green Vibrance with a multivitamin, plant-based protein, and a potent blend of antioxidants. We challenge you to find a meal replacement that compares.

JOINT VIBRANCE

Joint Vibrance is targeted toward short- and long-term joint wellness, containing more collagen per serving than any product on the market. We provide comprehensive formulas at effective potencies.

PRO MATCHA

Curb hunger and improve focus with Pro Matcha — without that annoying caffeine buzz. Whole food, plant-based protein combines with matcha green tea to keep you energized throughout the day.

Which other Vibrant Health product(s) would you like your local store to carry? _____

VIBRANT HEALTH RESELLERS

We take our partnerships and your consumer patronage seriously. At Vibrant Health, that means never cutting corners, using the best ingredients we can find, basing our formulas on solid nutritional science, and designing products at that deliver effective potencies.

STORE LEVEL SUPPORT

We show our commitment by providing your store(s) with exceptional store level support. Your staff will be trained and we will provide active or passive product demonstration support.
