**Non Confunditur Rosso Toscano IGT 2013**

“Argiano’s 2013 Non Confunditur is Cabernet Sauvignon with Merlot and Sangiovese. The wine opens to a dark ruby color and a rich velvety appearance. This is a very attractive blended red from Tuscany because it doesn’t show the cloying heaviness or dense extraction you get with many of the other protagonists in the super Tuscan category. In fact, Non Confunditur is approachable and fresh with a good level of crisp acidity that would pair next to lasagna or pici pasta with wild boar.”
