

Make a Difference in a Youth's Life through our Mentorship Program!

BLF FOUNDATION
DEVELOPING FUTURE LEADERS

The BLF Foundation is enlisting your help to model the next generation of leaders through our “Developing Future Leaders” Mentorship program. Each mentor will be matched with a selected student from our scholarship applicant pool for a year duration. Once a month, we will meet to work on 10 professional development topics to support the growth and development of the students in the mentorship program. You will get to work hands on with them, as well as arrange outside activities with your student based upon interests.

There are a variety of reasons to become a mentor:

- Become a “big brother or sister”
- Create countless memories
- Experience a sense of pride in another individual’s progression in life
- Give back to the community
- Help assist a younger version of yourself

There will be 10 scheduled meetings, with a focus on a different topic that impacts college students. Open discussion is encouraged as different viewpoints can help students understand various ways to tackle situations. Each scheduled meeting will include a “homework” activity for the students to complete to demonstrate mastery and also build a portfolio to demonstrate their unique value proposition to employers.

These topics will include:

- Financial Literacy
- Time Management
- Personal Branding
- Importance of Building a Network
- Critical Decision Making
- Fundamentals of Entrepreneurship
- Goal and Vision Setting
- Personal Development
- Civic Service and Community Engagement
- Leadership Philosophy and Skill Development

Become a Mentor Today!

We cannot reach countless students without your assistance. Our team will ensure a smooth transition process. We look forward to having you on our team to help collegiate students!
