

Expand your Knowledge and Network through our Mentorship Program!

BLF FOUNDATION
DEVELOPING FUTURE LEADERS

The BLF Foundation is calling all freshmen to graduating senior college students at the University of Texas at Austin, Huston Tillotson University, and Austin Community College district to enroll in our “**Developing Future Leaders**” Mentorship program. One a month, students will meet for a designated professional development session running two hours. During the program duration, a portfolio of accomplishments is developed to each student effectively market themselves to future employers and other opportunities through homework assignments. Open discussion will be encouraged to help showcase various viewpoints for tackling various situations.

In addition to the monthly meetings, each student is matched with a working professional mentor. There will be designated activities for the students mentees and mentors, but there will also be the ability for mentors to arrange their own activities.

There are a variety of reasons to join our mentorship program:

- Increase skills in 10 scheduled topics through our mentorship program curriculum
- Have a confidant to ask critical life questions while navigating collegiate studies
- Acquire new wisdom to help lead to successful job entry upon graduation
- Build support network through our mentors and program speakers
- Receive an Apple iPad Pro 10.5” for successful program completion

These topics will include:

- Financial Literacy
- Time Management
- Personal Branding
- Building a Professional Network
- Critical Decision-Making
- Fundamentals of Entrepreneurship
- Goal and Vision Setting
- Personal Development
- Civic Service and Community Engagement
- Leadership Philosophy and Skill Development
