SPECIALS

Animal Enrichment

We celebrated World Rhino Day with George the Rhino and his keeper Mr. Joe! We made a special enrichment for George that included maple leaves, hay, and peanut butter!

We visited elephants, Jothi and Surapa. We watched Ms. Mindy and Mr. Rob train the elephants. We are sad to see our elephant friends leave but so happy they will have more room to play!

We got to meet, Flash the sloth, our newest zoo member!

Animal Ambassador Visit

Ms. Lynda brought in Jabuti the Tortoise! Everyone was able to touch Jabuti's shell and learned that it's attached to his body. It was fun for everyone to see him moving around the floor.

Biofact Presentations

Ms. Cindy brought in a rhino skull! Everyone got to touch the skull and talk about the differences between their skull and a Rhino's.

Ms. Jane brought in an elephant's foot and tooth! The kids learned that Elephants have 4 HUGE teeth.

SOCIALS

Fall Harvest Event

We harvested crops in the Heritage Farm garden with our book buddies. Look at all those carrots!

We invited the animal keepers and education staff to visit our classroom. We wanted to say thank you for everything they do. We picked flowers for them and gave them crops to share with the animals. THANK YOU!

Visiting Expert

We met Ms. Lindsay our art teacher! She helped us work on our leaf. The leaf will be used to create a family tree in the classroom. We are so excited to work on many more projects with her!

Cooking with Ms. Anna

We made delicious carrot & raisin muffins! Not only were they healthy and delicious, but we used carrots that we harvested in our own garden. YUM!

HAPPY FALL

Shout Outs

Happy Birthday to Mr. Damon & Ms. MJ!!

Thank you to Mystery Reader, Camilla, for coming in and sharing a great story with us!
