Camp Rules

Please give to your chaperones before camp. Remember you need a background check on workers! We will need a copy of the background check for anyone over 18.

* Let's have empathy and understanding for campers with allergies. - PLEASE DO NOT SEND SNACKS TO CAMP. This is a peanut free camp. Their fees cover their canteens.

We want campers to grow and join in the fun by participating in group activities.

For safety reasons, campers should not roam alone, we like the "three buddy system!" Campers are never to be alone in the cabins, nor near the lakes, or pool.

Personal vehicles are not allowed beyond dining halls during the week.

Campers are not allowed on camp golf carts.

Remember this is a Christian camp, please dress accordingly, which means **modestly**, and be careful of the tee shirt ads.

Campers cannot leave the camp and return for any purpose except doctors' (or dentists') appointments or other emergencies. Parents must notify camp director if camper will be leaving during the week. If a camper is sick and needs to leave camp, they may return if they are feeling better and are not contagious.

There is no smoking/vaping/chewing tobacco products on camp grounds.

Please do not allow campers to write or deface any camp property this includes bunks!

Campers are to put trash in trash cans. The buildings and grounds should be picked- up daily.

Chaperones are to encourage campers to keep order in cabins.

DO NOT ALLOW campers out of cabins after curfew! Breaking this rule could mean expulsion from camp.

Chaperones/camp workers should be familiar with campers and any health concerns or behavior issues which campers may have.

Chaperones who have campers on meds, are responsible for meds and keeping meds in a safe place. If church does not send chaperone, our staff will need to be made aware of all meds.

Chaperones will help lead their groups in daily prayer and Bible Study.

Chaperones should be positive and encouraging with campers and camp staff at all times.

Please encourage campers to bring and use sunscreen!
