

Oak Morse

SissyCessful

For the screen-based, Gen-Z Jericho Browns, with everything, but...

Got to gala glaze lavender my pansy hoist my symphony

little gal Fauntleroy in ultra dire

cootie yuntra éclat giddy-up on Success's back

spite of daunt you be star-cé revolutionary karat contracts

peachy patents white-knot crêpe toast steel rhinos

ching-ching Venmo smut vital is what desperate does

this is about triangle-gilded aura of tangy

strangé fag-haters choke on fleece please

before all else honor your sunset

boycott coyote say clavicle emerald slay

strut in corridor of Christian Dior with a Tiffany & Co. twat

bet a Sunday slop you're bound to find your

beamy birthright only if you comprehend the shaman

desperate never does the same dance

so allure with or without your Lexapro because you're

a Sy'rai of infinity a Chor Ra Kuji

a Cleo-paxton a montage of jelly credits & iced-out epiphanies

atop your righteous rooftop balmy & broad

jumbo confetti flurrying

di, di, da, di, bah, di wey

look above, love:

fan mail from God.
