

Poetry Foundation Photography Policy

(Draft of 2/19/2025)

Visitors are welcome to take photographs for personal, noncommercial use in the Poetry Foundation Library and Gallery spaces under the following guidelines:

- Photography should not interfere with other guests use of public spaces
- Photos must be taken using existing lighting only—flash photography and the use of external lighting equipment is prohibited
- Photos may be taken with a hand-held camera or cell phone. Use of professional video cameras, tripods, handheld microphones, selfie sticks, or other equipment is not allowed inside or outside the building without prior approval
- Continuous video recordings of more than three minutes are not permitted
- Staged photography (photoshoots, headshots, etc) is not permitted

Please note that by entering this space, you are agreeing to have your image recorded and potentially used for promotional purposes and/or publicly shared by the Poetry Foundation.
