Victoria Theatre Association thrives on collaborations. It is our pleasure and privilege to partner with many of the Miami Valley’s non-profit charitable, education, social service and arts organizations, as well as with a variety of other business partners.
The Center – and the combination of a great show and an amazing facility will help to ensure that they return.

was a very large percentage of audience members who were making their first time visit to the Schuster

Our donor community was generous once again in both sponsorships of our presentations and programs as well as significant contributions from the foundation and corporate community. The goal of the Campaign is to increase the VTA endowment to $30 million and we are pleased to report we are currently nearing $24 million.

Under the direction of VP of Education & Engagement Gary Minyard, we were able to expand both the relevancy of the programs and the number of programs delivered. As well, VISUAL VOICES, presented in collaboration with BING Davis and the Eaton Gallery, successfully bridged visual arts and new technology. Significant inroads into our strategic goal of working closer with Wright-Patterson Air Force Base were made this year. We announced a new partnership with the Dayton Development Coalition on HOMETOWN HEROES. Several events were staged around this brand and support of the program from our community is growing. We also introduced our ART E.O.R.C.E. program in a pilot format to species of military personnel, and we look forward to seeing this program develop in the coming years.

The 2014-2015 Season also saw a significant increase in our investment in Education & Engagement programs. The Frank M. Tait Foundation Discovery Series: Professional touring theatre productions are pre-sold out at the Schuster Center. The Metropolitian Arts Center, home to Opera, Dayton Philharmonic, The Human Race Theatre Company, and the Muse Machine – are valued tenants of the buildings we own and operate. Our goal is to increase the VTA endorsement to $30 million and we are pleased to report we are currently nearing $24 million. As part of the campaign, we received funding from the State of Ohio for capital work at the Victoria Theatre and the Metropolitan Arts Center that will be completed this summer. We would like to thank our State elected representatives for their support of this initiative.

Thank you to our senior managers, staff members, our devoted Trustees, our volunteers, all of the artists whose work has graced our stages, and our sponsors and donors. Your support is valued and very much appreciated. We thank our audience for their patronage and look forward to many years of providing great arts experiences in our region.
PROGRAMMING

Premier Health Broadway Series: Selected from the hottest touring companies from Broadway and beyond, this series brings the best of Broadway to the Victoria Theatre and the Benjamin & Marian Schuster Performing Arts Center.

PNC Family Series: The Miami Valley’s oldest performing arts series for children and families is designed to introduce children ages 4-10 to the magic of live performing arts through world-class performances at the Victoria Theatre.

Projects Unlimited Variety Series: This eclectic mix of performances at the Victoria Theatre was casual, contemporary, and sometimes irreverent, targeting a new, younger demographic than existing programming.

Cool Films Series: Moviegoers enjoy classic films on the big screen in 35mm prints at the Victoria — as well as free popcorn and soda in the lobby and a pre-show theatre organ concert on the Mighty Wurlitzer — during July and August.

Star Attractions: These non-series performances were scheduled to appeal to the broadest cross section of our community and include blockbuster Broadway hits, cutting-edge theatre, family-friendly shows, and concerts.

Visual Voices: In its ninth year, the Visual Voices art exhibit is curated by Willis “Bing” Davis of EbonNia Gallery and celebrates the work of African-American visual artists, particularly here in the greater Dayton region.

Wintergarden Wonderland: During the holiday season, the Schuster Center Wintergarden is transformed into a wonderland of holiday activities, including the famous Rike’s holiday displays, beautiful decorations, and more.

ImPACT: Through this innovative program, up-and-coming arts presenters and producers get the opportunity to use the Mathile Theatre at the Schuster Center for their performances at a significantly reduced rate and are assisted by our professional staff.

Mid Day Arts Café: In its fifth year, this innovative adult program gives Dayton’s arts organizations the opportunity to tell their stories in an informal lunchtime lecture/demostration format in the Mathile Theatre and Wintergarden of the Schuster Center.

Education & Engagement: In addition to programs already mentioned, our extensive Education & Engagement events served more than 94,611 students and adults through a variety of hands-on programs, workshops and performances, teaching about the performing arts and enriching the classroom – or performance – experience.
THE SEASON AT A GLANCE

- More than 22,000 students from more than 17 counties and 51 school districts attended The Frank M. Tait Foundation Discovery Series. VTA also partnered with the Education Department at the National Museum of the United States Air Force to present THE WRIGHT STUFF: FIRST IN FLIGHT in their auditorium.

- Season Ticket Holders to VTA's collaboration with Five Rivers Metro Parks on the acclaimed National Geographic Live Series grew by 46%.

- VTA taught summer school workshops in Trotwood, Mad River, and Dayton Public Schools as part of the BELL Enrichment Program and Freedom Schools, with over 600 students in the two programs.

- VTA's first ever toy drive for Dayton Children's Hospital over the holidays brought in over 600 new stuffed animals for patients and families at Dayton Children's.

- A new partnership with YWCA Dayton and other social service agencies yielded a very successful, first time Women's Fair in conjunction with VTA's presentation of THE NEXT STEP: A CONVERSATION WITH DR. IYANLA VÄNZANT.

- Two successful new programs—Bagels & Broadway and Teacher's Lounge—were launched. Bagels & Broadway treated invited guests to a ring-side seat on load-in for several Broadway shows and included a Q&A with company or production managers. The Teacher's Lounge invited local educators to opening night of various Broadway shows at a reduced ticket price with their own private reception beforehand.

- Art F.D.R.C.E. is a part of a new "Arts in Healing" initiative at VTA. The program focuses on military families serving at Wright-Patterson Air Force Base, and uses meditative arts practices to help spouses and children cope with the stresses of military life.

- Another new experimental partnership with Wright State's Theatre Department offered an intimate cabaret evening on the stage of the Victoria with Leslie Uggams. A similar partnership is being planned for the new season.

- Celebrating its fifth season, Mid-Day Arts Café, a lunchtime series where professional arts organizations provide patrons with behind-the-scenes information, expanded this season to include new organizations and events in the Wintergarden.

- PNC Family Series workshops were reorganized to make it easier for families to attend art and performance activities in between the two Saturday matinees.

- New after-school camps engaged high and middle school students to learn choreography, scenes, and music from WICKED with instructors from the cast as well as from the community. In addition, Stansfall's Pirate School was offered in conjunction with PETER AND THE STARCATCHER.

- Now in its eighth year, Fueling Education offered free Regional Transit Authority (RTA) passes to more than 3,000 students and teachers, making it possible for them to attend Frank M. Tait Foundation Discovery Series performances. The Convenience Stores of Speedway provided additional transportation funds for schools outside of Montgomery County.

- The Dayton Power & Light Company Foundation Cheap Seats program continuing with more than 14,000 enthusiastic members receive monthly email updates on the latest $10 ticket offerings on this program. From a participant: "I have been ordering tickets for awhile now through DP&L Cheap Seats program and appreciate the opportunity to attend more often. I’ve also made this a way to take family and friends for special occasions such as birthdays and Christmas. I could not do this without the Cheap Seats program. Thank you!!"

- As a not-for-profit arts organization, VTA relies on a strong donor base of more than 1100 individual, corporate, and government contributors for their support of the organization. Our sincere thanks!

- Ticket Center Stage implemented a new, more sophisticated ticketing and customer management system called Tessitura, which will provide staff with increased insight into our customers as well as better ease of use for our patrons.

- Victoria Theatre Association formed a partnership with the Dayton Development Coalition on the Hometown Heroes initiative, adding the arts to the sports equation and making the initiative a year-round offering. VTA provided 3,000 plus tickets to performances contributing to the quality of life for military members and their families and strengthening the community relationship with WPFB.

SERVICES

Ticket Center Stage: This centralized ticketing service for the venues that VTA manages serves seven local arts organizations, as well as others who rent the venues, selling in excess of 311,000 tickets annually for $11.1 million in sales, a 14 percent increase over last year.

Citilites Restaurant & Bar: For lunch during the week and for dinner before all Schuster Center performances, Citilites provides a casual, yet elegant, dining experience, serving more than 28,427 guests for $11.3 million in sales, a 14 percent increase over last year.

Schuster Center Event Services: With a wide array of catering and banquet options for events of all sizes, Event Services receives top customer service ratings that have made the Schuster Center the place to host an event. More than 460 events were hosted serving over 46,000 guests for total sales of more than $1.1 million.

Venue Management: Dayton is blessed with incredible arts venues, and Victoria Theatre Association has the privilege of owning and operating the three professional facilities in downtown Dayton for the benefit of the community and the arts organizations that use these facilities. They include the historic Victoria Theatre, the state-of-the-art Benjamin & Marian Schuster Performing Arts Center, and the Metropolitan Arts Center, which includes offices, studies and The Loft Theatre. The cost of operating these facilities is tremendous; their operation is supported through fundraising and other revenue streams to ensure they are always available to the non-profit arts organizations at affordable rates.

The Arts Garage: This clean, safe, and conveniently located parking garage near the Schuster Center provides parking for performances and for downtown business people on a daily basis, serving more than 359,000 motorists annually. The management and operation of The Arts Garage is now handled directly by VTA staff.

Volunteers: Our volunteer corps of more than 600 volunteers provides necessary support to our operations by serving primarily as ushers at all performances at the three venues. Over 62,000 hours were given in service to the arts community by these dedicated individuals from all over the Miami Valley. This represents over $744,000 in donated labor.
VTA's $30 million NEXT STAGE endowment campaign has made great strides this season. We take the stewardship of these facilities very seriously and are taking these steps to ensure VTA's arts facilities — the Benjamin & Marian Schuster Performing Arts Center, the Victoria Theatre, and the Metropolitan Arts Center, home to The Loft Theatre — remain state of the art for future generations of Miami Valley residents. Funds raised are being used to support building upgrades and energy efficiency; technology improvements; and new programming initiatives. The campaign has reached nearly $24 million, more than 75 percent of its goal of $30 million. One hundred percent of the VTA/ACF Board of Trustees have pledged their support as well as 100 percent of full-time administrative staff and volunteer Team Captains plus support from VTA's extensive volunteer organization. The Campaign has also found great support from local entities like The Dayton Foundation and the Dayton Power & Light Company Foundation, as well as the State of Ohio.

This year, VTA’s Family Advocacy Program provided 1,542 tickets free of charge to a variety of social service agencies working with underserved youth and adults in our region. Tickets are primarily for the PNC Family Series, but also occasionally included other VTA presentations. The program is generously supported by SoBran, Inc.

Victoria Theatre Association pays tribute to our resident companies, which are integral to our robust arts community here in the Miami Valley region as well as to our own success. Our arts campus is home to Dayton’s finest professional and pre-professional performing arts organizations.

- Dayton Performing Arts Alliance
  Dayton Ballet • Dayton Opera • Dayton Philharmonic
- The Human Race Theatre Company
- Muse Machine
- Magnolia Theatre Company, Signature Series, and Dare to Defy, also perform regularly on our stages.

Congratulations to Neal Gittleman! Maestro Gittleman is celebrating his 20th anniversary with the Dayton Philharmonic. VTA applauds his artistic leadership and values our partnership with the Dayton Performing Arts Alliance.

Based on the calculator developed by the Americans for the Arts, the economic impact of Victoria Theatre Association and the Arts Center Foundation is considerable and far reaching.
