Teen Summit Overview

The annual Teen Summit is End Domestic Abuse Wisconsin's largest training. Bringing youth, parents, educators, activists and mentors from all over Wisconsin to learn about healthy relationships, teen dating violence, and sexual assault within a larger anti-oppression framework.

There will be **THREE** Educational and enthusiastic plenary speakers with Dr. Bettina Love, Rosa Clemente, and a surprise teen keynote! There are topic related performances. We are expecting our highest attendance yet, with over 500-600 anticipated attendees!

It will be a celebration of our many successes, as well as, a time to revive and strengthen ourselves and our movement. We welcome attendees to challenge preconceived notions on how to deal with these issues and learn new strategies for successful prevention and education on teen issues.
