

# Certificate of Completion

## Welcoming LGBTQ Survivors with Open Arms & Open Doors in Shelter

This certificate acknowledges completion of **Language Access: A Lifesaver for Survivors**, a 90 minute webinar recording hosted by End Domestic Abuse Wisconsin. This presentation covers:

- how can we ensure programs provide equal access to all survivors in shelter, regardless of gender identity or sexual orientation
- some concerns for agencies in providing shelter to LGBTQ survivors experiencing intimate partner violence
- How can we use our wisdom as advocates to identify what the pattern of abusive power and control looks like in LGBTQ relationships
