Register by February 3: <http://bit.ly/TeenSummit2020Register>

The annual Teen Summit is End Domestic Abuse Wisconsin's largest training, bringing youth, parents, educators, activists, & mentors from all over WI to learn about healthy relationships, teen dating violence, & sexual assault within a larger anti-oppression framework. We include educational and enthusiastic plenary speakers, as well as topic-related performances. We are expecting our highest attendance yet, with over 700 anticipated attendees!

It will be a celebration of our many successes, as well as a time to revive and strengthen ourselves & our movement. We welcome attendees to challenge preconceived notions on how to deal with these issues and learn new strategies for successful prevention and education on teen issues.

## **Homicide Prevention Roundtables**

Two Trainings: April 8, 2020 & April 10, 2020

Gateway Technical College Racine Campus (April 8) & Western WI (location TBD)

We know from the CDC that over half of female homicides in the US are intimate partner violence related. According to End Abuse's latest annual Homicide Report, in 2018, individuals died in WI due to domestic violence at a rate of 1 death every 7 1/2 days. That same year, 37% of the victims of intimate partner homicide were killed after the relationship ended or when one person in the relationship was taking steps to end the relationship. No victim should have to take the courageous step of leaving an abusive relationship without the safety & support offered by domestic violence victim advocates and without the benefit of a coordinated community response.

A team of three from Portland, OR will provide an overview of their Domestic Violence Enhanced Response Team (DVERT), and share tools & strategies with WI communities hoping to create something like it. Their DVERT is similar to a DV High Risk Team Model that's beginning to spread across WI, the goal of which is to create a multi-disciplinary response to the cases that are identified to have the greatest potential to result in a homicide or near-homicide. Spend a day learning with & from others that are engaged in domestic violence homicide prevention efforts, and be a part of improving these grave statistics for our state.

## **Foundations of Advocacy**

May 5 - May 6, 2020

Stoney Creek Hotel & Conference Center in Rothschild

This training is designed for new domestic abuse and sexual assault advocates. For two days, participants will gather to review DV dynamics, trauma, counseling basics, and advocating within systems. We will practice advocacy skills and self-care during this interactive training.

## **Basic Restraining Order Training**

May 7, 2020

Stoney Creek Hotel & Conference Center in Rothschild

This training is designed for any advocate who will assist individuals to obtain restraining orders. Participants will learn how to help a victim assess whether they want a restraining order and explain the process to obtain one, determine eligibility for different types of orders, and assist a victim to complete a petition and to prepare for court. Recent legislation related to restraining orders will be covered.

## **Spring Statewide Directors Meeting**

May 12 - May 13, 2020

Hotel Marshfield

Domestic violence, sexual assault, and tribal executive directors meet for two days to learn, share, challenge, and enhance sexual assault and domestic violence services in our state. End Domestic Abuse Wisconsin co-sponsors the meeting with the Wisconsin Coalition Against Sexual Assault and American Indians Against Abuse. The fall meeting takes place in September.
