End Domestic Abuse Wisconsin & the Allstate Purple Purse Campaign present:

Economic Empowerment Trainings

Train-the-Trainer Series 2020

Join Kathryn Chapman, Director of Education and Membership Services at End Abuse WI and Caitlin Canon, Allstate Agency Business Development Agent, who will provide information on Financial Empowerment using the Allstate Purple Purse Curriculum, *Moving Ahead Through Financial Management*.

The Allstate curriculum offers strategies to address the financial and safety challenges survivors face when navigating their options. It also provides resources to strengthen survivors' confidence in their ability to understand financial fundamentals such as budgeting, saving, building credit and managing debt. Kathryn and Caitlin will share practical tools, resources, and financial information that is important for survivors.

This training is meant for advocates who can commit to support survivors with financial fundamentals and provide one-on-one or group trainings for survivors. Each training will be from 9:00am to 4:00pm with an hour lunch break. Please register for this no cost training sponsored by the Allstate Purple Purse Foundation.
