

EKG911A3OW FS Cooker

See at a glance – make instant heat adjustments

With this full gas cooker, you can see at a glance how much gas you are using – and make instant adjustments. It's the pleasure of immediate control.

Take full control of your baking and grilling

Many gas cooker's have one control knob with separate sectors for grill and bake. Our top of the range models feature different controls, giving you the potential to bake and grill multiple dishes at the same time.

Automatic hob ignition

Turn the knob, press the button, and you're ready to cook on your gas hob.
