

## EKG913B3OX FS Cooker

### See at a glance – make instant heat adjustments

With this full gas cooker, you can see at a glance how much gas you are using – and make instant adjustments. It's the pleasure of immediate control.

### Better heat distribution for even cooking results

Crisp pastry, evenly cooked pies, well browned joints of meat -- the XXL Fan ensures heat is circulated evenly throughout the oven, meaning consistent results wherever your food has been placed.

### Take full control of your baking and grilling

Many gas cooker's have one control knob with separate sectors for grill and bake. Our top of the range models feature different controls, giving you the potential to bake and grill multiple dishes at the same time.
