

TwinTech® FrostFree® fridge freezer with FreeStore for longer freshness

Electrolux TwinTech® FrostFree technology with FreeStore® guarantees an optimal humidity level in the refrigerator. Food keeps its fresh taste and texture for much longer thanks to the independent air cooling systems of the fridge and the frost free freezer.

Product Benefits & Features

Low-energy cold storage from a top-performing appliance

With A+++ energy efficiency rating, this appliance combines excellent performances with very low energy consumption.

The space to make every item visible

When your freezer is crowded, it can be difficult to find what you need. With the SpacePlus® freezer drawer, you get an at-a-glance overview of everything inside.

Intelligent FreeStore®: Store any fresh item anywhere in the fridge

Store food in whichever area of the refrigerator you choose. It will stay just as fresh wherever you put it because the intelligent FreeStore® system distributes cooled air evenly.
