

Lift your expectations

ComfortLift is the first of its kind, giving you easier access to your dishes in a more convenient way than ever before. The unique mechanism lets you gently lift the lower rack up towards you, taking the effort out of loading and unloading. Our latest innovation in dishwasher technology makes this everyday task so much more

Product Benefits & Features

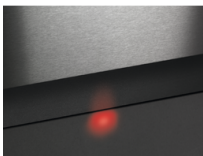

Easily load and unload all utensils

The spacious and removable cutlery tray makes loading, washing and unloading your cutlery and utensils easier. This offers optimal space and functionality and has capacity for up to 13 cutlery settings. It also has an extended corridor for long and bulky utensils.

A sparkling finish, no handwashing at all

You no longer need to spend time or effort handwashing your delicate. Our advanced GlassCare System with unique SoftGrip feature holds each glass securely in place throughout the clean and protects them from movement and vibration. Ensuring no cracks, breakage or watermarks.

See when your dishwasher is done

Keeping your kitchen peaceful and quiet, with beam on floor Illuminated Feedback System. By projecting a dot of light onto the floor directly beneath where it is installed, your dishwasher signifies its status discreetly and silently, perfect for when noise may prevent you from hearing the
