Your laundry, right on time

Make your laundry fit in with your day. The Electrolux TimeCare washing machine lets you choose how long your wash will take, without compromising fabric care or results. So you can have your clothes ready for the moment you need them.

Adjust the cycle to suit your schedule – not the other way around

Make certain the laundry will fit into your schedule. With TimeManager®, you can adjust the cycle and your laundry will be ready exactly when you say so.

Large or small loads - your washer adjusts its cycle

This washing machine with AutoSense gives you all the flexibility you need. It has an extra-large drum to wash big loads in one go, while for smaller loads it automatically adjusts time, water and energy use.
