

The crispiest crust

The PlusSteam function on this oven simply uses a touch of steam to create a richer and glossier colour, a crispier crust and soft delicious texture for all your home-baked bread.

Product Benefits & Features

Total cleanliness, but without the scrubbing

With the Pyro self-clean oven, you can get your oven completely clean – and without scrubbing. Once activated, it hygienically turns residues into odourless ash.

Smart food probe for perfect results

This plug-in food temperature probe gives you more insight into your food. Set the probe to the right cooking level (e.g., rare, medium, well done) and it will alert you and switch the oven off when your dish is ready.

Use every inch of space inside – everything will cook evenly

Thanks to the UltraFanPlus heating system with extra-large fan and air-guide design, your dish will cook completely evenly wherever you place it in the oven.

Straightforward control for cooking all your favourites – with great feedback

For the control you need to prepare all your favourite dishes, this panel with LED display gives you access to 8 heating modes, timer functions, oven light and fast-heat-up mode.

A glass door that's simple to keep clean

The glass in this oven's door is simple to clean. You can completely remove the door and the glass panels, and quickly clean it all.

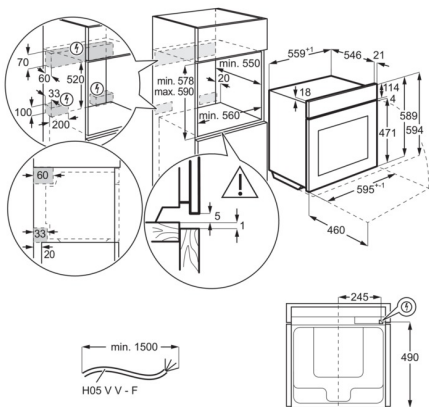

- Built-in oven
- Multifunctional oven with ring heating element
- Oven energy class: A+
- Oven cooking functions: Bottom heat, Defrost, Fast heat up, Grilling, Moist fan baking, Pizza setting, Pyrolysis, Top/Bottom heat, True fan cooking PLUS, Turbo grilling
- Anti fingerprint stainless steel
- Oven cavity with 3 baking levels
- Fast oven heat up function
- Meat Probe
- Pyrolytic self-cleaning
- Cleaning reminder
- VelvetClosing® action for a door that closes gently every time
- Automatic temperature proposal
- Electronic temperature regulation
- Electronic lock function
- Residual heat indication
- Retractable knobs
- Electronic oven functions overview: Acoustic signal, Automatic switch off only oven, Check result, Child lock (off mode), Cleaning reminder, Count up timer, Demo mode with code, Display with Symbols, Door switch for light, Duration, Electronic temperature regulation, Electronical door lock, End Time, Evaporator, Fast heat up selectable, Function lock (running mode), Minute minder, Oven light on/off selectable, PlusSteam, Pyrolytic cleaning (2 cycles), Pyrolytic cleaning with delayed time, Real temperature indication (°C), Reset count up timer, Residual heat indication, Residual heat usage, Service codes, Temperature proposal, Time of day
- Halogen oven lighting
- Oven light automatic at door opening
- Baking chart on oven door inside
- Easy to clean door
- Fan stops when opening the door
- Cooling fan
- Trays supplied with the oven: 1 Combi tray grey enamel
- Grids supplied with the oven: 1 Wire shelf chromed
- Demo mode
- Service codes

Product Specification

Product Installation	Built_In
Product Typology	BI_Oven_Electric
Product Classification	Statement
Type	Single
Installation	BI
Size	60x60
Oven Energy	Electrical
Cooking	Fan + Ring
Cleaning top oven	Pyrolytic
Cleaning bottom oven	No
Nº of cavities	1
Design family	BlueFire
Main colour	Stainless steel with antifingerprint
Control Panel material	Metal Frame with Glass on Top
Type of doors	1 Horizontal stripe glued, 4 Glasses, Baking chart with symbol, Level indication
Type of handle	Metal, Towel Rail
Door type bottom oven	No
Door hinges	Drop Down Removable, Soft closing
Drawer	No
Control lamps	Illuminated symbols, Oven Regulation, Power on, Steam
Hob control	No

Left front - Hob control	No
Rear - Hob control	No
Right front - Hob control	No
Right rear - Hob control	No
Thermostat	Top
Type of timer min.	HEXAGON
Electronic Oven Control	Hexagon 5K-T.T.P-DS
Feature Electronics	Acoustic signal, Automatic switch off only oven, Check result, Child lock (off mode), Cleaning reminder, Count up timer, Demo mode with code, Display with Symbols, Door switch for light, Duration, Electronic temperature regulation, Electronical door lock, End Time, Evaporator, Fast heat up selectable, Function lock (running mode), Minute minder, Oven light on/off selectable, PlusSteam, Pyrolytic cleaning (2 cycles), Pyrolytic cleaning with delayed time, Real temperature indication (°C), Reset count up timer, Residual heat indication, Residual heat usage, Service codes, Temperature proposal, Time of day
