

The extra space you need to suit dishes of all shapes and sizes

At 90cm wide, this oven is wider than standard ovens. So when you're cooking for a party – or using a large, specialist dish – you've got the space you need.

Product Benefits & Features
Get a virtual peek inside your dish

This FoodProbe gives you a virtual look inside your food so you can check on how it is cooking. What's more, it switches off the oven when your dish is ready.

The oven door that stays cool to the touch

Thanks to great insulation, the door stays cool. Never more than 20°C warmer than room temperature, it is always safe to touch.
