

**The perfect fit for the modern kitchen**

This dishwasher integrates perfectly into your kitchen. Its sophisticated door design, with discrete controls on top, makes it the perfect fit for the modern home.

**Product Benefits & Features**
**Soft support for your delicate glasses**

To minimise the risk of damage or breakages during the dishwashing process, SoftSpike rubber supports keep your delicate glasses standing safely upright.

**Naturally inspired drying**

Our new AirDry technology uses natural airflow to finish the drying. It opens the door by 10 cm in the last part of the cycle until you're ready to unload. A natural way to get maximum drying performance while effectively reducing your energy costs.

**Every corner is reached**

Your dishes will always be sparkling clean thanks to the Satellite Spray arm. The 5 spray levels will give the water a maximum coverage of your entire load, even the most crowded ones. It has a double rotation movement, continuously changing the angle of the spray to reach every corner of the
