Your laundry, right on time

Make your laundry fit in with your day. The compact Electrolux TimeCare washing machine lets you choose how long your wash will take, without compromising fabric care or results. So you can have your clothes ready for the moment you need them.

Adjust the cycle to suit your schedule – not the other way around

Make certain the laundry will fit into your schedule. With TimeManager®, you can adjust the cycle and your laundry will be ready exactly when you say so.

Opens gently for greater safety

This top-loading washing machine has carefully designed softly opening doors, so that you can always access the interior safely.
