

Empire Communities Wins Big for Their Combined Efforts as a Homebuilder, Taking Home Seven 2019 Texas Star Awards

VAUGHAN, ON (October 22, 2019) – Empire Communities, one of North America’s largest private homebuilders, is celebrating a big win at the Texas Association of Builders (TAB)’s 2019 Texas Star Awards with a total of seven awards presented to the homebuilder.

Empire was recognized for excellence in the following categories: Best Sales Brochure – Dellrose, Best Website, Best Interior Merchandising (Under \$250K) – Balmoral, Best Interior Merchandising (\$250K-\$500K) – Harper’s Preserve, Best Product Design (\$500K-\$750K) – Reserve at Spring Lakes, Best Social Media Marketing Program, and Construction Manager of the Year – Eric Countryman.

“It’s a huge honor to be recognized for our combined efforts as a homebuilder, especially in the Texas market where we’ve been welcomed with open arms by the community,” says Sue MacKay, VP of Marketing at Empire Communities. “We’ve come a long way since we first launched our U.S. Homebuilding Division in 2016 in Houston. Since then, we’ve really flourished as a homebuilder as we’ve been able to grow our teams, and have expanded our Texas reach to also include Austin and San Antonio,” added MacKay.

In 1992, the TAB launched the Texas Star Awards — the only statewide tribute to excellence in the home building industry. The Star Awards continue to showcase the outstanding work of builders, remodelers, architects, designers, sales professionals, marketing professionals, construction professionals and industry leaders in Texas and the Southwest.

The TAB announced the 2019 Star Award winners on August 8, 2019 in Texas.
