

Heartsaver® CPR AED Courses

for Middle & High School Students 8th-12th Grade

Hackensack University Medical Center
Life Support Training Center offers
Heartsaver® CPR AED Training for Teens

ABOUT HEARTSAVER® CPR AED:

The American Heart Association's Heartsaver® CPR AED Course teaches basic CPR and AED skills. Students in 8th – 12th grade will learn CPR and first aid for choking for adults, children and infants, the use of barrier devices, and the use of the automated external defibrillator (AED).

This program is perfect for students planning summer employment as babysitters, camp/recreation counselors, waiters/waitresses, etc. Students receive a course completion card upon successful completion of the course requirements.

COST: \$70 per person

COURSE LOCATION:

Hekemian Conference Center
Hackensack University Medical Center
30 Prospect Avenue, Hackensack, NJ 07601

COURSE DATES:

Wednesday, February 27, 2019, 6 p.m. – 10 p.m.
Wednesday, May 29, 2019, 6 p.m. – 10 p.m. or
