

Long before you hold your child in your arms for the first time, your love and concern for them is evident. You know right from the start that you want your child to have the very best.

Each day, the team at K. Hovnanian Children's Hospital strives to provide the highest level of care for the children of our community. Often, our patients and their families leave the hospital wanting to express their gratitude in some special way, but just don't know how. They want to show their appreciation to the doctors, nurses, technicians, therapists, dieticians, volunteers or any other member of our team for exceptional care. Perhaps you feel the same way.

By making a gift to the hospital's Foundation in honor of special members of our health care team, you can put your thanks in writing for us to personally pass along. Your support helps ensure that you, your family and your neighbors continue to receive the most advanced state-of-the-art pediatric services close to home.

Detach and return in enclosed postage-paid envelope.

Please note: Your gift amount will be kept confidential and will not be shared with the person you are thanking.

Your gift is tax deductible to the extent allowed by law.

I want to thank _____

(Please include complete name or hospital department you wish to thank.)

He/she was special because:

“As members of the local community, we have always considered ourselves part of the Meridian Health family. Since the births of my daughters, K. Hovnanian Children’s Hospital and Jersey Shore University Medical Center hold a special place in my heart. As an energetic family experiencing all of the changes of everyday life, it is nice to have a constant, like a great hospital nearby to take care of you and your family. As a Monmouth County mom I love being able to support this health care system and as an Olympian I love being able to give back.”

Manasquan resident Christie Rampone; Mother, Team USA Women’s Soccer Team Captain, three-time gold medal winner and official spokesperson for K. Hovnanian Children’s Hospital.

Saying Thanks

FOR THE MOST REMARKABLE CARE
