

Atlanta | COMMUNITY IMPACT 2020

As the nation's premier home leasing company, Invitation Homes provides high-quality, professionally managed homes for lease in 16 markets across the country. We recognize that the vitality of our business is directly linked to the vitality of the communities in which we operate. In 2020, we adapted our daily operations to ensure the safety of our residents and associates, we worked with residents experiencing economic hardship so they could stay in their homes, and we found innovative ways to make a profound impact in our communities. Below is our 2020 impact on the greater Atlanta area.

Engaging with the Community

 In 2020, Invitation Homes focused its community giving on the challenges of the year by contributing to local organizations addressing the rising rates of food insecurity across the nation and to national social justice organizations working to make positive societal change. In Atlanta, we contributed to the Atlanta Community Food Bank and Action Ministries.
