We recognize that the vitality of our business is directly linked to the vitality of the communities in which we operate. In 2020, we adapted our daily operations to ensure the safety of our residents and associates, we worked with residents experiencing economic hardship so they could stay in their homes, and we found innovative ways to make a profound impact in our communities. “ My experience with Invitation Homes has been nothing less than perfect. With everything that is going on with COVID-19 they were still able to accommodate me and get me moved into a new home, making what could have been a stressful process very easy.

Engaging with the Community

In 2020, Invitation Homes focused its community giving on the challenges of the year by contributing to local organizations addressing the rising rates of food insecurity across the nation and to national social justice organizations working to make positive societal change. In Houston, we contributed to the Houston Food Bank, Meals on Wheels, and the Beagle and Hound Rescue.
