

Jacksonville | COMMUNITY IMPACT 2020

As the nation's premier home leasing company, Invitation Homes provides high-quality, professionally managed homes for lease in 16 markets across the country. We recognize that the vitality of our business is directly linked to the vitality of the communities in which we operate. In 2020, we adapted our daily operations to ensure the safety of our residents and associates, we worked with residents experiencing economic hardship so they could stay in their homes, and we found innovative ways to make a profound impact in our communities. “ I want to thank Invitation Homes for making things so easy. Any time we have a service need, someone comes out within 24 hours. They are always in uniform, always polite and always do a great job. The home is beautiful, and we love the neighborhood, too. We hope to be in our Invitation Home for many years. ”
