As the nation's premier home leasing company, Invitation Homes provides high-quality, professionally managed homes for lease in 16 markets across the country. We recognize that the vitality of our business is directly linked to the vitality of the communities in which we operate. In 2020, we adapted our daily operations to ensure the safety of our residents and associates, we worked with residents experiencing economic hardship so they could stay in their homes, and we found innovative ways to make a profound impact in our communities. ## Engaging with the Community

In 2020, Invitation Homes focused its community giving on the challenges of the year by contributing to local organizations addressing the rising rates of food insecurity across the nation and to national social justice organizations working to make positive societal change. In Las Vegas, we contributed to Three Square, Goodie Two Shoes Foundation, and the Nevada Partnership for the Homeless.
