

RETROFIT PROPORTIONAL VALVES

Product Description: Retrofit proportional valves for all machine axes.

Advantages:

- Proportional valves increase production control over black/white hydraulic valves
- Can be retrofitted to any hydraulic axis to replace black/white valves.
- Can be retrofitted to any machine

Hardware structure:

- Program and wiring update required
- Please contact Uniloy with machine number for suitability.

Main functions:

- Proportional control valve upgrade from black/white
