

Uniloy 30HP Vane to Piston Pump Conversion

Uniloy is proud to introduce the 30HP vane to piston pump conversion. This upgrade is designed to replace the 30 hp motor and vane pump on a Double A® or Vickers® power unit with a Bosch Rexroth® 30HP motor and piston pump.

Benefits

- Current pump design
- Longer life span
- Minimal conversion downtime
- Energy efficient design

Machine Requirements

- Vickers® or Double A® 30HP power pack
- High Pressure Filter (sold separately)

Features

To Include:

- 30 HP Motor
- 33 GPM Pump
- Adapter Plate
- Bowex Coupling with Insert
- Tank Cover Plate
- Low Pressure Select and Adjust Valve
- Pressure Gage
- Blanking Plate
- Suction Pipe
- Drain Pipes
- Flanges
- Fittings and Fasteners
- Electrical Wire and Fittings
- Partially Assembled Prior to Shipment
