

Performance Standards

The Children's Chorus participates in the Sunday morning service four times each year. Performances include three regular morning services and one Christmas musical.

Regular Performances

Children should arrive and be ready to start rehearsal at 8:30am. All Children will check-in in Christiansen and will be in the care of the Children's Chorus from the time they are dropped off until after they sing in the service. After singing, the children will be dismissed to a designated room for a quick snack. Parents are encouraged to leave the service after the chorus sings to check out their child from the designated room. Once a child is checked out, they are no longer in the care of the Children's Chorus.

Choristers are expected to follow a dress code for all performances unless otherwise designated.

Boys White shirt (tucked in), black pants, black socks, and black shoes.

Girls White shirt (tucked in), black pants or skirt (knee length or longer), black tights and black shoes.

Christmas Musical

On the day of the performance, children should arrive in costume and be ready to start rehearsal at 8am. All Children will check-in in Christiansen and will be in the care of the Children's Chorus from the time they are dropped off until after the service. After the service, parents may check-out their children from Christiansen.

In most cases choristers are expected to provide their own costume for the Christmas musical. Costumes and/or costume pieces can be stored in the choir room after the dress rehearsal until the performance.

2019-2020 Performance Dates

November 24 – 8:30am

December 22 – 8:00am (Christmas musical)
