

Abuse in Later Life Resources for Healthcare Providers

Webinars and e-courses:

- **Indicators of Elder Abuse Among Older Patients (2014)**
This webinar is designed to train nurses who work with older patients to screen, assess, document, and report elder abuse. Available at: <http://wcadv.net/Webinars/ElderAbusePatients-121514/lib/playback.html>
- **Forensic Markers of Elder Abuse and Neglect Webinar (2015)**
This webinar reviews research and clinical findings that help distinguish forensic markers of elder mistreatment. Available at: <https://vimeo.com/117597284> (video)
<http://www.nccdglobal.org/sites/default/files/content/slides-forensic-markers.pdf> (slides)
- **Nursing Response to Elder Mistreatment Curriculum (2015)**
This curriculum is intended to help nurses acquire essential knowledge and skills to appropriately respond to elder mistreatment. Available at: <http://www.forensicnurses.org/?page=ElderMistreatment>

Web Resources:

- **Comprehensive Photography Protocol: General & Specific Guidelines for Photographing Injuries in Older Adults**
This resource was developed to assist healthcare professionals working in acute care settings to effectively document injuries in order to evaluate for potential abuse. Available at: <http://nyceac.com/wp-content/uploads/2012/02/Photography-Protocol.pdf>

National Clearinghouse on Abuse in Later Life (NCALL)

A project of End Domestic Abuse Wisconsin

1245 E. Washington Ave., Suite 150, Madison, Wisconsin 53703

Phone: 608-255-0539 • Fax/TTY: 608-255-3560 • www.ncall.us • www.endabusewi.org

- **Aggressive Behaviors & Dementia: Tips & Resources (2014)**
This article provides healthcare professionals with an understanding of aggressive behaviors, tools to help mitigate situations involving aggressive behaviors, and tips to prevent future potentially abusive situations. Available at:
<http://nyceac.com/elder-justice-dispatch-aggressive-behaviors-dementia-tips-resources/>
- **Research to Practice Translation – Bruising in Older Adults: Accidental Bruising and Bruising from Physical Abuse (2009)**
This research translation highlights key points of aging- and abuse-related research articles on bruising for use by practitioners working with older adults. Available at:
<https://ncea.acl.gov/resources/docs/Research-Translation-bruising-NCEA-2014.pdf>
- **Training Resources on Elder Abuse (TREA)**
This website aims to increase the number of professionals, caregivers, and community members who receive high quality training on elder abuse. Available at:
<http://trea.usc.edu>
- **Elder Abuse Screening Tools for Healthcare Professionals (2016)**
This brief summarizes elder abuse screening tools available to healthcare professionals in various settings. Available at:
<http://eldermistreatment.usc.edu/wp-content/uploads/2016/10/Elder-Abuse-Screening-Tools-for-Healthcare-Professionals.pdf>
- **Elder Abuse Treatment & Management (2015)**
This article discusses the types, epidemiology, clinical presentation, causes, identification, treatment, and management of elder abuse in all phases of patient care. Available at:
<http://emedicine.medscape.com/article/805727-overview>
