

NursingCE: HIV/AIDS

Release date: December 4, 2017

Expiration date: December 4, 2020

Number of CNEs for satisfactory completion of educational activity: 6

Overview

NursingCE provides a high-quality, effective, and comprehensive way for license practical nurses, registered nurses and nurse practitioners to earn their state-required CNE credits in a clear online format.

A course on evidence-based practice provides current content intended to help practicing nurses apply this knowledge to their practice. The course also includes questions to test competency.

Target Audience

The target audience for this educational activity is registered nurses.

Learning Objectives

Upon completion of this activity, learners should be able to:

- Explain the nursing care priorities for clients in the various stages of HIV infection
- Recall the medication groups used in the treatment of HIV.
- Plan care for clients in all stages of the HIV/AIDS disease process.

Accreditation and Designation

This learning activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the Assessment Technologies Institute, LLC (ATI) Nursing Education Provider Unit.

Assessment Technologies Institute, LLC (ATI Nursing Education) is accredited as a provider of continuing education by the American Nurses Credentialing Center's Commission on Accreditation.

Commercial Support

None

Faculty and Planners Disclosure Statement

The author(s) attest that they do not have a conflict of interest, bias, or commercial support related to the educational activity. The author(s) nor any member of their immediate family, have any financial relationship in which they receive salary, royalty, fees, honoraria, ownership interest or other financial benefits from an organization addressed in the educational materials. They do not promote any services or products during the activity and neither the author(s), nor any member of their immediate family, have any financial interest in the topics presented during the educational activity.

Learners must submit a completed evaluation of the educational activity to receive their CNE certificate.

Method of Participation to Earn CNE Credit(s)

Learners must pay the appropriate fee for participating in and receiving credit for this online educational activity. In order to obtain credit for participating in this activity during the period of November 20, 2017 through November 20, 2019, learners must:

1. Review the educational objectives and disclosure statements.
2. Read through the entire course and complete activities as indicated.
3. Answer test items presented throughout and at the end of the course.

CNEs will be issued after the learner has:

1. Answered all of the test items with a score of 80% correct or higher
2. Completed the course evaluation.

After completing these activities, the learner will be able to print out their CNE certificate.
