

## NursingCE: Mental Health for Veterans

---

**Release date:** May 3, 2018

**Expiration date:** May 3, 2021

Estimated time to complete activity: 2 hours

### Overview

NursingCE provides a high-quality, effective, and comprehensive way for licensed practical nurses, registered nurses and nurse practitioners to earn their state-required CNE credits in a clear online format.

A course on Mental Health for Veterans provides up-to-date content intended to help practicing nurses meet their CNE requirements. The course also includes questions with detailed explanations to test the participant's knowledge.

### Target Audience

The target audience consists of registered nurses.

### Learning Objectives

Upon completion of this activity, participants should be able to:

1. Describe military cultural competence
2. Discuss the role of the military family in supporting Veteran's mental health care
3. Identify the symptoms and treatment options for Veteran's mental health disorders

### Accreditation and Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the joint-providership of Assessment Technology Institute (ATI) (provider) and NursingCE.

ATI is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity is provided for a maximum of 2.0 contact hours under ANCC criteria.

### Commercial Support

None

### Faculty and Planners Disclosure Statement

All planners and faculty participating in continuing education activities provided by ATI are expected to disclose to the audience any support or relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporters of the activity. In addition, all faculty are expected to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation. The planners and faculty have been advised that this activity must be free from commercial bias, and based upon all the available scientifically rigorous data from research that conforms to accepted standards of experimental design, data collection, and analysis.

**The following speakers and planning committee members listed below have stated they have no financial relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporter of this activity.**

- Susan Garbutt, DNP, RN, CIC, CNE, CHSE
- Janean Johnson, MSN, RN, CNE
- Karin Roberts, PhD, RN, CNE

### **Method of Participation to Earn CNE Credit(s)**

Learner pays the appropriate fee for participating in and receiving credit for this online educational activity. In order to obtain credit for participating in this activity during the period of May 3, 2018 through May 3, 2021, participants must:

1. Read the educational objectives and disclosure statements
2. Read and complete the case-studies presented during the session and score 70% or higher.
3. Review the appropriate modules. Participants may make corrections to incorrect responses as needed.
4. Upon completion of entire module, learner may receive XX credits, or may redeem a portion of the XX credits by increments of 1 hour at a time.
5. Submit the online evaluation to NursingCE.

Credit will be issued only upon completion of the exam questions with a score of 80% or higher and activity evaluation. After completing this information, you will be able to print out your credit certificate. This activity should take up to 2 hours to complete. Credits are redeemable in 1 hour increments.
