

America in Wartime List of Video Resources

The video resources in this package are divided into two categories:

1. The first category, **“Program Videos,”** lists archived versions of our live, interactive student programs that explore multiple concepts and topics related to exploring America in wartime.
2. The second category, **“Topic Videos,”** includes short videos that deal with a specific topic, issue, event, or person related to exploring America in wartime. Some of the “topic videos” listed here are also featured in one of the archived live programs. If so, the name of the archived program video is included in parentheses.

More information on each video, including a description of its content, grade levels targeted, and any teacher tools or student tools related to it, can be found on its video play page by clicking on its title below. Time length for each video is provided below and on its video play page.
