Space Exploration Resource Package

Arts Integration Activity Ideas and Lesson Plans

Area 1: Activity Ideas

This is a sampling of activity ideas. You can also check out activity ideas available with the teacher tools included with individual videos in this resource package.

- Design and build a Mars habitat that could sustain human life.
- Create a song with lyrics and instrumentation that would be played for the astronauts on the first mission to Mars.
- Select music and create a dance that would simulate weightlessness in space.
- Create a poem that celebrates Space Exploration.
- Paint constellations on the ceiling of a closet with glow in the dark paint.

Area 2: Lesson Plans

Sample lesson plans will be added to this document soon. Additional activity lesson plans are available with the teacher tools included with individual videos in this resource package.
