How do I LEARN through the Digital Arts?

Here are some ways you’ll learn Ohio’s Academic Standards:

Social Studies: Learn about U.S. History by creating a digital game

Science: Compose and record a song about biology

English: Turn a required book into a short film

You do NOT need previous digital arts experience — we’ll teach you recording arts, digital arts, and film during a 3 week tech bootcamp and throughout the year!

Cleveland School for Digital Arts:

- Is an open enrollment school for all students who want to be part of a new way of learning the core subjects.
- Has no audition or portfolio requirement.
- Promotes academic excellence and social growth in a supportive environment.
- Helps students will progress through the curriculum at their own pace through a series of projects connecting the core subjects with digital arts.
- Is a year-round school, with four 10-week sessions, followed by a 3-week break.
- Is open 9 a.m. – 5:30 p.m. giving time for internships in digital arts both at the school and in the community.
