HOW IT WORKS
The Center for Arts-Inspired Learning has created the ArtWorks 15-Day Challenge to promote arts integrated learning during school closures. We want our scholars to have the opportunity to get creative and have some fun during this time.

In this packet you will find prompts and activities that connect to literacy, science, math, engineering, health, leadership, and emotions. There are activities to try on your own or some to try with a partner.

Scholars can choose activities at the following levels: Beginner (Age 5-8) Intermediate (Age 9-13) Advanced (Age 14-18)

GET CREATIVE!
We challenge you to be any type of artist you want so options and prompts are provided that encourage you to:

DRAW IT: Draw a picture
MAKE IT: Create something new using found materials around you
WRITE IT: Write a story or a poem
SPEAK IT: Tell a story or recite a poem
DANCE IT: Create or learn new dance moves
SNAP IT: Take a picture or video
SING IT: Create or learn a song
SHARE IT: Share what you made with someone else or post it online

GET SOCIAL(LY DISTANT)!
If you have connection to the internet you can also share out what you create online using YouTube, TikTok or any other social media platforms using the following hashtags:

#ArtWorksChallenge #ArtsInspiredLearning #CALCreators

DISCLAIMER: Any youth under the age of 13 must have parental permission to view or post artistic creations online.

ADDITIONAL DETAILS
Daily follow along videos will be released as a way for scholars to continually connect and have visual instructions and guidelines for each challenge.
