HOW IT WORKS
The Center for Arts-Inspired Learning has created the ArtWorks 15-Day Challenge to promote arts integrated learning during school closures. We want our scholars to have the opportunity to get creative and have some fun during this time.

In this packet you will find prompts and activities that connect to literacy, science, math, engineering, health, leadership, and emotions. There are activities to try on your own or some to try with a partner.

Scholars can choose activities at the following levels: Beginner (Age 5-8) Intermediate (Age 9-13) Advanced (Age 14-18)

DANCE IT: Create or learn new dance moves

**DAY 11’S CHALLENGE: EMOTIONS**

Art is a great way to express how you feel!

Let’s use the following color wheel to express how you feel during this time.

**DRAW IT**

**BEGINNER:**
Using 1 color from the emotional color chart, color in the flower with how you feel.

**INTERMEDIATE:**
Choose colors that express how you feel based off of the emotional color chart and create a flower painting on the image below. If you have access to Q-tips you can use 1 Q-tip and use paint or nail polish (if there is no access to paint) to make your creation.

**ADVANCED:**
Try to create your own Q-tip painting. Take about 3-4 Q tips and tie a rubber band in the middle. Once they are secure use paint or nail polish, dip both ends with a different color. Try to recreate the picture below.
