

**Food
Processing
Equipment**

Direct Recruiters has been recognized as the relationship-focused search firm that assists Food Processing Equipment organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

DRI's Food Processing Equipment Practice area has placed industry-specific executive talent at leading companies. Our extensive network of industry contacts along with our proprietary sourcing techniques allows our Food Processing Equipment recruiters to deliver the best state of executive level candidates including C-Suite, VPs, Directors and Senior Managers.

The DRI team is comprised of Food Processing Equipment experts including Researchers, Senior Recruiters, and Practice Leaders who devote 100% of their efforts in this industry. They have a thorough understanding of the current job market and what it takes to fill open positions.

On a daily basis, we are in contact with Food Processing Equipment management and hiring authorities looking to hire key industry professionals in the areas below:

Here's what one client had to say about Cherie Shepard, Jason Herbert, and team:

I've had the pleasure of working with Cherie and her team for the past 5 years. It has been great to have her supporting us as we push through our growth period. Given all the priorities and lack of time on our side, Cherie has been able to give us the support we need to make quick hiring decisions and yet be very sensitive to our limited time. Our team would not have been as strong as it is today without her tireless assistance."

**Rainer DallaRosa, Vice President, Industrial Division North America
Bizerba**

"I work with Jason and his team to fill high quality sales and sales leadership roles. He takes the time to understand our hiring needs and as a result, he always sends us well-qualified candidates in a timely fashion. We know he has our best interest at heart. I would definitely recommend working with him."

**Jim Peterson, Sales Director, North America
Provisur**
