

**Supply Chain & Logistics**

Direct Recruiters has been recognized as the relationship-focused search firm that assists top-tier organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

DRI's Supply Chain & Logistics Practice focuses on helping companies attract, develop, and retain supply chain executives and the leading talent in the industry to fill their supply chain & logistics team.

We bring our clients the highest potential candidates with proven experience. We target passive candidates that meet and exceed your requirements and preferences. Our methods allow you to focus on your operations and your customers today and introduce your future supply chain leaders. Frequently, these are candidates that are currently delivering results in your industry or may bring a new perspective from one link up or down the value chain. Our candidates bring strategic thinking, collaboration, and day to day execution experience to propel your organization forward.

**On a daily basis, we are in contact with supply chain executives and top notch logistics professionals including:**

- Supply Chain
- Contracting
- Process Excellence
- Transportation
- Materials Management
- Continuous Improvement
- Operational Excellence
- Project Management
- Vendor Management
- Operations
- Sourcing

Our team of seasoned supply chain and logistics recruiters understands the pressures of this niche. We take the time to comprehend your specific business and talent needs. Clients benefit from our proven track record, passion for the industry, and tenacious drive to present the best slate of candidates possible.

Our ultimate goal is to acquire the game changing talent that will make a difference to your organization!
