

Traffic &  
Transportation  
Technology

Direct Recruiters has been recognized as the relationship-focused search firm that assists Traffic & Transportation Technology organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

As cities across the United States become more connected through smart technology, intelligent traffic and transportation systems are key in achieving a more efficient and safe transportation infrastructure. The intelligent traffic and transportation industry includes a broad range of communication-based technologies and high-level professionals to design, engineer, and sell the technology.

Top intelligent traffic and transportation technology companies are turning to DRI for experienced and reliable professionals looking to service the traffic and transportation industry. Our success can be attributed to the trust and relationships we have built with clients & candidates alike. Discretion, confidentiality, honesty and integrity are the guiding principles of our business and our promise to those we serve.

The DRI team is comprised of Traffic Technology Recruiters and Research Associates who recruit professionals and executives specializing in these areas:

- ML & AI for Traffic
- Intelligent Traffic Systems “ITS”
- Intelligent Transportation Systems
- Traffic Management Software
- Wireless Communications
- Traffic Prioritizing Systems
- Data Collection Solutions
- Advanced Transportation Management Systems (ATMS)
- Connected/Autonomous Vehicles
- Smart City Solutions
- Traffic Cameras & Software
- Traffic Cabinets & Signals
- Traffic Controllers & Sensors
- Detection Systems

On a daily basis, our Traffic & Transportation Technology team is in contact with executive management and hiring authorities looking to hire top professionals in the areas below:

Sales & Marketing	Engineering	Operations
<ul style="list-style-type: none"> <li>• Sales</li> <li>• Marketing</li> <li>• Sales Leadership</li> <li>• Business Development</li> <li>• Director, VP and C-Level</li> </ul>	<ul style="list-style-type: none"> <li>• Pre &amp; Post Sales Engineers</li> <li>• Applications Engineers</li> <li>• Field Service Engineers</li> <li>• Software Engineers (Full Stack Development)</li> <li>• QA Engineers</li> <li>• Network Engineers/Architects</li> <li>• Engineering Leadership</li> <li>• Product Management</li> <li>• System Engineers</li> </ul>	<ul style="list-style-type: none"> <li>• Project Managers</li> <li>• Program Managers</li> <li>• Support Engineers</li> <li>• Implementation Managers</li> <li>• Operational Leadership</li> </ul>
