

Direct Recruiters has been recognized as the relationship-focused search firm that assists Government Technology organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We specialize in the recruitment of passive candidates for companies that sell IT into the Public Safety, Public Sector, and Federal Markets.

DRI recognizes the myriad of changes that are taking place in these industries and has the knowledge, resources, and top talent to help clients move forward and keep pace.

Today's leading technology companies are turning to DRI for experienced and reliable professionals looking to service the Public Safety, Public Sector and Federal industries. Our success can be attributed to the trust and relationships we have built with clients & candidates alike. Discretion, confidentiality, honesty and integrity are the guiding principles of our business and our promise to those we serve.

The DRI team is comprised of Senior Public Sector Recruiters and Research Associates who recruit professionals and executives specializing in these technologies areas:

- CAD, RMS, JMS, Mobile Data
- GIS
- Predictive/Analytical Software
- Biometrics
- Emergency Notification
- Software as a Service (SaaS)
